

Lessons learned from one of New Zealand's most challenging civil engineering projects: rebuilding the earthquake damaged pipes, roads, bridges and retaining walls in the city of Christchurch 2011 - 2016.

Local advertising – Support Parklands Businesses

Story: Business Support Campaign

Theme: Communications and Community

An advertisement informing residents that local businesses are still open, despite detours and roadworks.

This document has been provided as an example of a tool that might be useful for other organisations undertaking complex disaster recovery or infrastructure rebuild programmes.
