

Lessons learned from one of New Zealand's most challenging civil engineering projects: rebuilding the earthquake damaged pipes, roads, bridges and retaining walls in the city of Christchurch 2011 - 2016.

Gloucester Street bridge – run sheet for bridge opening

Story: Heritage Bridges

Theme: Construction

A run sheet which details who will do what at the opening of the Gloucester Street bridge.

This document has been provided as an example of a tool that might be useful for other organisations undertaking complex disaster recovery or infrastructure rebuild programmes.

Celebration of the restored Gloucester Street Bridge RUN SHEET

EVENT	Celebration of the restoration of the Gloucester Street Bridge
WHEN	Wednesday 21 December, 2016
WHERE	Assemble for speeches and ribbon-cutting on the Oxford Terrace side of Gloucester Street Bridge in the central city.
OFFICIATING	Hon. Lianne Dalziel, Mayor of Christchurch Hon. Nicky Wagner, Associate Minister for Greater Christchurch Regeneration Ian Campbell, EGM, SCIRT
KEY MESSAGES	<ul style="list-style-type: none"> • It is the last of more than 100 bridge repairs in SCIRT's five and a half year construction programme. • SCIRT is very proud of the work of its Fletcher delivery team, who have done a great job rebuilding the Gloucester Street Bridge. • The strengthening means the bridge is also better able to handle any future earthquakes. • The repair has been cleverly designed so the bridge does not look any different than it did before and its heritage elements remain the most striking feature. • Eight new steel beams have been hidden under a new reinforced concrete deck to provide more strength and resilience for the bridge. • It's great to see projects like this completed, and returned to the people of Christchurch. • The bridge has been strengthened to carry heavy goods vehicles so it can service the new Convention Centre.
SCIRT CONTACTS	Marta Steeman, SCIRT Media Manager Liesel Esterhuizen, Fletcher Communications Lead, SCIRT Welcome Aboard Punt operations manager, Jamie Storie
TIME	ACTIVITY
11:00 am	SCIRT and Fletcher communications teams arrive to set up the site: PA system, flags.
