

Lessons learned from one of New Zealand's most challenging civil engineering projects: rebuilding the earthquake damaged pipes, roads, bridges and retaining walls in the city of Christchurch 2011 - 2016.

SCIRT presentation to Red Cross

Story: SCIRT and Red Cross Collaboration

Theme: People and Culture

A presentation which SCIRT presented to Red Cross volunteers, telling them about what SCIRT is and what it does.

This document has been provided as an example of a tool that might be useful for other organisations undertaking complex disaster recovery or infrastructure rebuild programmes.

SCIRT PRESENTATION TO RED CROSS

HANNAH SEELEY AND KRISTIN SIMONSON
11 JUNE 2015

Who is SCIRT?

What is SCIRT here for?

Our vision:

"To create resilient infrastructure that gives people security and confidence in the future of Christchurch"

The people of Christchurch are at the heart of the rebuild

- Which earthquake-damaged infrastructure is SCIRT repairing?
 - Wastewater
 - Fresh water
 - Storm water
 - Roads (bridges and retaining walls)

New Zealand's largest ever civil engineering project

Who is SCIRT?

SCIRT's progress

Progress

Communication

4894 work notices distributed to 1,142,600 residents

200 e-newsletters produced

145 school visits

28,842 face to face meetings

4355 non-traffic related signs about our work.

Aranui vacuum wastewater network

Aranui vacuum wastewater network

Aranui vacuum wastewater network

Southern relief wastewater repairs

Ferrymead to Sumner repairs

- Main Road three laning Wastewater, storm water, seawall and road reconstruction Complete SCIRT Fulton Hogan
- (4) Clifton, fresh water supply Water main and fresh water pump station installation Expected completion: Mid 2015 SCIRT Fulton Hogan
- **McCormacks Bay Road** Wastewater, storm water and roading repairs Expected completion: July 2015 SCIRT Fulton Hogan
 - Sumner/Scarborough Wastewater repairs Expected completion: Late 2015 SCIRT Fulton Hogan
- **Redcliffs catchment** Wastewater, storm water and roading repairs
 - Expected completion: Late 2015 SCIRT Fulton Hogan

Retaining wall repairs:

- (R1) Heberden Avenue Retaining wall renewal. Expected completion: September 2015 SCIRT Fletcher
- (R2) Whitewash Head Road Retaining wall renewal. Complete SCIRT Fletcher
- (R3) Taylors Mistake Road Retaining wall renewal. Expected completion: Early July 2015 SCIRT Fletcher

Main Road Sumner

Whitewash Head Road retaining wall

Community perceptions

- 83% satisfaction with the job SCIRT does (up from 77% in Nov 2014)
- 95% recognise road works are part of progress SCIRT's work is seen as a positive sign of progress
- 81% are confident SCIRT is doing its job well
- 89% overall satisfaction with the information provided by SCIRT -**92%** say it was sufficient

^{*} Results from latest six-monthly telephone survey of Christchurch people's perceptions of SCIRT. 400 people surveyed, April 2015.
